## **SUPER STAR AGENT** **BACKGROUND**

You've been the Diva's agent since she was a teenager and you catapulted her to stardom.

You brokered the Diva's World Tour but you haven't gotten your commission yet.

### **YOUR MISSION FOR ACT ONE**

- Threaten the Diva that she better pay you your commission or she will get what's coming to her. Make a scene.
- Flirt with the Hollywood It Girl to get her to sign with you. Try any means necessary to get her to say yes.
- After shit goes down (you'll know when this happens!) take charge of the room and demand that everyone surrender their cell phones to you. You need to protect your client's privacy at all costs.

## **THE DIVA** **BACKGROUND**

You've stepped on a lot of toes on your way to the top. Almost everyone in this room has a beef with you. The only thing that you are **not** guilty of is sleeping with the Reality TV Star's husband.

### **YOUR MISSION FOR ACT ONE**

- When all guests are present, give a speech welcoming them and tell them you have big news to share later! Instruct the guests to read their Act One cards. They have a half hour.
- At the end of Act One, you will give a toast to your guests, drink your champagne and dramatically die! You've been poisoned by one of your friends! Your assistant will distract everyone so you can sneak away.

## **FORMER CHILD STAR** **BACKGROUND**

You have access to all the best drugs in Hollywood and supply many of the people here (including the Diva!) You're known to get drunk and a little rowdy. Bonus points for a wardrobe malfunction.

You brought a lethal dose of a new party drug called Poison with you to the party. Not with the intention to kill anyone, you just have a ridiculously high tolerance at this point.

### **YOUR MISSION FOR ACT ONE**

- Flirt with anyone, male or female, that you think could get you back in the limelight.
- Brag about the Poison. If anyone asks you to buy it, don't sell it. You're saving it for later!

## **REALITY TV STARLET** **BACKGROUND**

You and the Diva were once best friends, but now you are telling everyone that she is sleeping with your husband.

### **YOUR MISSION FOR ACT ONE**

- Make a scene and tell the Diva to stay away from your man or you will kill her!
- Tell everyone about the Diva's betrayal and make up different stories of how you have caught her and your husband in the act.
- You are the social media queen! Be sure to take a selfie with everyone you meet. Bonus points for duck lips and tagging us! #yourkillerparty

## **HOLLYWOOD HEART THROB** **BACKGROUND**

You and the Diva were teenage sweethearts but had a nasty public breakup when she cheated on you with the Agent. You never got over it.

### **YOUR MISSION FOR ACT ONE**

- Tell everyone about your break up. Make up an outrageous story about how you caught them - the more salacious the better.
- Flirt with all the attractive female guests. After all, you have a reputation as a playboy to uphold.
- Give the agent a piece of your mind for stealing your girl. Make sure everyone knows how upset you still are with them both.

## **HOLLYWOOD IT GIRL** **BACKGROUND**

You're in love with the Diva. But it's a big secret that would hurt your reputation as a leading lady, so keep your lips sealed!

The Paparazzo caught you and the Diva having sex on camera and is trying to sell the footage to the highest bidder. No one knows that it is you with the Diva on film.

### **YOUR MISSION FOR ACT ONE**

- Make googley eyes at the Diva and gush about how wonderful she is (you just can't help yourself!)
- Get photographed with all the attractive men at the party to throw off the paparazzi. Tag us! #yourkillerparty
- If you hear people talking about the sex tape the Paparazzo is selling, tell them it's a fake.

## THE HEIRESS

### BACKGROUND

You met the Diva's Bodyguard at the Grammys and fell in love with him.

He stole \$500K in jewels from the Diva and gave them to you. The Celebrity Stylist got blamed for it.

The Paparazzo is going to announce that they have a sex tape with the Diva and a partner. You're worried it's the Bodyguard.

### YOUR MISSION FOR ACT ONE

- Buy the sex tape from the Paparazzo before the end of Act One. Offer \$100K for it. You of all people know how a sex tape can ruin a reputation!
- The Former Child Star brought something to the party that could help you get rid of the Diva once and for all. Ask her about it.

## CELEBRITY STYLIST

### BACKGROUND

The Diva fired you from her world tour and accused you of stealing \$500K in jewels. You are livid - your reputation took a big hit! The real criminal must be someone in this room - someone in the Diva's entourage who was on the tour with you.

### YOUR MISSION FOR ACT ONE

- Tell everyone who will listen about how you were falsely accused by the Diva.
- Someone here knows something about who really stole the jewels. Do a little digging and see who else had access.
- Critique everyone's outfit as if you were on the Fashion Police. Find something to praise and something to tear down.

## THE FASHIONISTA

### BACKGROUND

You hate the Celebrity Stylist because she has catapulted to stardom when you are the true style visionary.

You'd like to see her out of the picture permanently, no matter what the cost.

### YOUR MISSION FOR ACT ONE

- Tell everyone about how the Celebrity Stylist was fired for stealing \$500K in jewels from the Diva.
- Ask everyone who they're wearing and no matter what they say, seem unimpressed.
- You heard a rumour that the Former Child Star brought poison to the event. Ask her if you can buy it. That will solve your problem with the Celebrity Stylist!

## THE PAPARRAZO

### BACKGROUND

You secretly filmed the Diva having sex on camera backstage at her World Tour. Her partner's face was obscured but the Diva is undeniable. Time to sell the tape to the highest bidder.

### YOUR MISSION FOR ACT ONE

- Announce to the crowd early on that you have a secret sex tape of the Diva and that it's for sale.
- Sell the sex tape to the highest bidder. You will get many offers. Don't take less than \$100K for it. You must sell it by the end of Act One.
- Sneak photos of A-listers and try to catch them doing something scandalous.

## THE DIVA'S ASSISTANT

### BACKGROUND

The Diva is always super mean to you and makes unrealistic demands. You put up with it because you know that she has the connections to get you a dream job at one of the top studios in Hollywood.

### YOUR MISSION FOR ACT ONE

- You secretly leaked the footage of her World Tour on the Internet for revenge. The impending lawsuit pushed her over the edge into bankruptcy. Confess this.
- The Diva will be murdered at the end of this act! When it happens, you are in charge. Take her pulse and dramatically exclaim that she is dead.
- Distract the guests' attention away from the Diva's body and tell everyone to read their Act Two cards.

## THE DIVA'S BODYGUARD

### BACKGROUND

You've been sleeping with the Diva for the last year but you fell in love with the Heiress at the Grammys. You have been trying to break it off with the Diva ever since but she threatened to fire you if you stopped sleeping with her.

You stole \$500K in jewels from the Diva on her world tour to give to your new girlfriend. Luckily, the Celebrity Stylist got the blame.

### YOUR MISSION FOR ACT ONE

- Hatch a plan with the Heiress to get the Diva out of the picture so you two can start your new life together.
- Tell people that you are keeping your eye on the Reality TV Starlet because she threatened to kill the Diva at the Grammys.

## THE CELEBRITY TRAINER BACKGROUND

You were on the Diva's World Tour with her and became her close friend and confidant. You know everything about her: that she is being blackmailed, sued and has developed a nasty drug problem.

### YOUR MISSION FOR ACT ONE

- Accuse the Former Child Star of feeding the Diva drugs and getting her addicted. It ruined the Diva's life!
- The Celebrity Stylist was blamed for stealing jewels from the Diva, but she wasn't there when they went missing. Tell people that she is innocent.
- You're on the hunt for new clients now that the Diva is broke. Compliment other guests on their muscle tone and offer work out tips.

## THE BACHELOR BACKGROUND

You're thrilled to be at this Hollywood Party surrounded by A-listers.

*If you don't watch the Bachelor, you may not get the following jokes. But the fans around you will find it hilarious!*

### YOUR MISSION FOR ACT ONE

- Go up to at least 3 women and ask them "Will you accept this rose?"
- Make references to the Fantasy Suite.
- Accuse multiple people of "being here for the wrong reasons."
- Try to convince the Former Child Star to be your partner on your upcoming season of Dancing with the Stars. Practice with her, if she'll let you.

## HOLLYWOOD MADAME BACKGROUND

Several of the men in the room are your clients but most will avoid you like the plague.

When the Diva was a struggling actress she was one of your girls for a short time and you'll never let her forget it.

### YOUR MISSION FOR ACT ONE

- Try to recruit girls to work for you. The Former Child Star is a good bet, now that her career is in the toilet.
- When you speak to any of the men let them know how good it is to talk to them *again*.
- Try to convince the Diva's Bodyguard that you could use his help protecting your girls while they are on the job. Is he interested in pimping for you?

## THE TECH TITAN BACKGROUND

You had a deal with the Diva for the exclusive broadcasting rights for her world tour on your platform, but it was leaked on the Internet for free. You are currently suing her for \$100M and looking to hurt her reputation.

### YOUR MISSION FOR ACT ONE

- Publicly accuse the Diva of leaking the footage on purpose and make sure everyone knows that you are suing her.
- You're not the only one looking for a payout from the Diva. Commiserate with the Super Agent who is also looking to collect.
- Don't forget to remind all the pretty things in the room how successful you are and name drop celebrities.

## REALITY TV STAR'S SISTER BACKGROUND

You've always been jealous of your sister's spotlight and are anxious to knock her down a peg or two.

Rumour has it that the Diva is sleeping with the Reality TV Starlet's husband. You know that your sister is spreading it herself to cover her tracks because she is the one cheating!

### YOUR MISSION FOR ACT ONE

- Take lots of selfies. You are a Kardashian, after all! #yourkillerparty
- Make up outrageous lies about your sister to everyone who will listen. The more salacious the better.
- Confront your sister that she is the one actually cheating and blaming the Diva as a diversion.

## THE SUPER MODEL BACKGROUND

The Super Agent was supposed to come to fashion week with you but he snubbed you to go on the world tour with the Diva. You're furious at both of them.

The Super Agent has a reputation for demanding sex from his female clients. You would know because he did the same to you but you were able to reject his advances. The Diva wasn't so lucky.

### YOUR MISSION FOR ACT ONE

- Let everyone know that the Super Agent is a sleaze and tell them your history.
- The Heart Throb still has a broken heart from the Diva cheating on him. Console him and ask to hear the story.

## **THE DIRECTOR**

### **BACKGROUND**

The Diva was cast as the star of your latest blockbuster but you had to fire her. She showed up to set high as a kite most days and set the production back months.

You're trying to convince the Hollywood It Girl to take over the Diva's role. The Super Agent is trying to sign her to take advantage of that commission.

### **YOUR MISSION FOR ACT ONE**

- Tell everyone that you know the Diva was sleeping with her Bodyguard. They disappeared into her trailer while she was still mic'd and you heard it all.
- Warn the Hollywood It Girl about the Super Agent's reputation for demanding sex from his female clients.

## **TALK SHOW HOST**

### **BACKGROUND**

The Diva agreed to come on your show to promote her world tour and then didn't show. She humiliated you on live TV.

You've decided to film an Exposé about the Diva to get even. You want to get your hands on the sex tape of her that the Paparazzo is selling - the grand finale!

### **YOUR MISSION FOR ACT ONE**

- Convince anyone who has a beef with the Diva to come on your show. The Hollywood Heart Throb has a good story to share about their breakup.
- Wait for the Paparazzo to announce that they have the Diva's sex tape for sale and offer them \$50K max.

## **THE BACKUP DANCER**

### **BACKGROUND**

You hit it big when you scored a spot on the Diva's World Tour.

You spent a lot of time with the Bodyguard who was her constant shadow and fell for him. It broke your heart when you realized that he and the Diva were sleeping together.

### **YOUR MISSION FOR ACT ONE**

- Tell everyone that you know the Diva was sleeping with her Bodyguard.
- You've noticed that the Bodyguard is always around the Heiress these days. Make sure to mention it to the Diva.
- Gossip about how rehearsal on the tour was often cancelled because the Diva was always sick in the mornings. Why?

## **THE CELEBRITY CHEF**

### **BACKGROUND**

You and the Diva were opening a minimalist restaurant that sells only one thing - Kale. She pulled out after her world tour and now you are stuck footing the bill for the project yourself.

### **YOUR MISSION FOR ACT ONE**

- Take credit for any food that is on offer at this party as your unique creation (even if you had nothing to do with it).
- Remind the Diva how much money she owes you for her share of the restaurant and demand she pay up.
- Mention to several people that it is possible to poison someone using things that you would find in an average kitchen.

## **THE PRINCESS**

### **BACKGROUND**

You hired the Diva to sing your favourite song to you and the Prince on your wedding day and she ended up getting hammered and skinny dipping in the Buckingham Palace fountain. You were disgraced and came today to give her a piece of your mind!

### **YOUR MISSION FOR ACT ONE**

- You always act prim and proper but feel free to let your temper flare when you tell the other guests about your connection to the Diva.
- You're a huge fan of the Celebrity Stylist. Ask her if she will dress you for an upcoming event.
- You hate the Paparazzo. They never give you a break. Let them know your distaste with your biting British wit.

## **THE PORN STAR**

### **BACKGROUND**

You are the town gossip. You love to spread rumours and enjoying embellishing as you pass them on.

You and the Diva have been lovers for years. She has a ravenous sexual appetite for men and women that even you, a professional in the field, couldn't satisfy.

### **YOUR MISSION FOR ACT ONE**

- Tell anyone who will listen about your history with the Diva.
- The Paparazzo is selling a sex tape of the Diva on her world tour. Try to figure out with other guests who could have been the person in it with her.
- The Heiress shot to fame by releasing a sex tape. Make a scene and tell her that it was an insult to your work.

## **SUPER STAR AGENT** **BACKGROUND**

You have very powerful clients in this room and it's time to go into lock down mode. No one leaves until this murder is solved!

### **YOUR MISSION FOR ACT TWO**

- Bad news, someone in this act is going to try to pin the murder on you. Deny everything. Turn the finger back around at your accuser.
- Confess that the Diva didn't want to start sleeping with you because she was in love with the Hollywood Heart Throb but you threatened her career if she didn't.

## **THE DIVA** **BACKGROUND**

You have been murdered! At the end of Act Two, come back as a ghost and make a dramatic reappearance to the group.

### **YOUR MISSION FOR ACT TWO**

- Assemble everyone in a big circle and ask them to say who they think the murderer is and why they did it. **Remind the murderer that they should implicate someone else and not confess at this time!**
- Read your final monologue addressing all the characters. Read the murderer last, of course. This will sew up any unresolved storylines and solve the mystery of who killed you.

## **FORMER CHILD STAR** **BACKGROUND**

You just realized the bottle of Poison went missing from your bag! Someone stole it in Act One!

### **YOUR MISSION FOR ACT TWO**

- Make a public announcement that the poison has been stolen and was probably used to kill the Diva.
- Other guests asked you about the poison in Act One. Suggest that they could have been the thief.
- It will come out that the Diva is pregnant. You know that she has been sleeping with the Bodyguard for some time. Tell people that it must be his.

## **REALITY TV STARLET** **BACKGROUND**

Uh oh, you just publicly threatened to kill the Diva and now she's dead. This doesn't look good on you... and neither does orange. Time to point the finger at some other suspects!

You have been having an affair with the Hollywood Heart Throb all along. It's you that is the cheater, not your husband!

### **YOUR MISSION FOR ACT TWO**

- You believe that the murderer is someone who the Diva was sleeping with. Make a list of these suspects.
- At one point, someone will announce that they found a positive pregnancy test. It's your test! Go find the Heart Throb and discretely tell him that you are having his baby.

## **HOLLYWOOD HEART THROB** **BACKGROUND**

All your flirting and philandering is really just a facade. You only have eyes for one woman - the Reality TV Starlet. You have been sleeping with her for months and are head over heels in love with her.

### **YOUR MISSION FOR ACT TWO**

- The Diva's death was obviously a crime of passion. You believe that the murderer is someone who was in love with the Diva. Find out who loved her and you will have your suspects.
- The Reality TV Starlet has a big confession for you. When she tells you, you will be so overcome with joy that you will get everyone's attention, get down on one knee and ask her to marry you!

## **HOLLYWOOD IT GIRL** **BACKGROUND**

You're overcome with jealousy that the Diva has been carrying on with several men at this party. If you can't have her, then no one can.

**You are the murderer. Shhhhh!**

### **YOUR MISSION FOR ACT TWO**

- You stole the poison from the Former Child Star to kill the Diva. You hid the empty bottle of poison in the medicine cabinet in the bathroom. Get it and plant it on the Super Agent. Then publicly accuse him of killing the Diva because she never paid him!
- Don't volunteer the information that you were sleeping with the Diva or that it was you in the sex tape, but if someone asks you, you must admit it.

### BACKGROUND

You bought the Diva's sex tape from the Paparazzo and watched it. Good news, it wasn't the bodyguard. It was a woman!

The Bodyguard gave you the jewels he stole from the Diva on her World Tour. You wanted to keep them safe, so they are in your purse and your small white dog is guarding them.

### YOUR MISSION FOR ACT TWO

- Make sure everyone knows that it was a woman in the sex tape with the Diva but you can't make out her face. Speculate about which of the female guests it could have been.
- If anyone accuses you of having the jewels, you must surrender them.

## CELEBRITY STYLIST

### BACKGROUND

Now that the Diva is dead, there is no one to clear your name. You have to take matters into your own hands!

Someone in this room has the jewels on them right now. You must find the jewels before the end of Act Two.

### YOUR MISSION FOR ACT TWO

- When you accuse the guilty person of having them, they will have to confess and hand them over.
- On the world tour, the Diva told you that the Hollywood Heart Throb was her true love and she will never forgive herself for cheating on him.

## THE FASHIONISTA

### BACKGROUND

It's bothering you that the Heiress carries around with a small dog in her purse. As a lover of both animals and purses, this is unforgivable.

### YOUR MISSION FOR ACT TWO

- Complain to everyone who will listen about the Heiress's purse choice.
- Mention to several people that you were spying on the Bodyguard and the Heiress and you heard them scheming to off the Diva in Act One.
- Deny asking the Former Child Star about the poison. Pick one of the other suspects and say you saw them taking it instead.

## THE PAPARAZZO

### BACKGROUND

Now that you have the Heiress's cash for the sex tape, you can discretely tell the Hollywood It Girl that you know it was her with the Diva in the tape.

### YOUR MISSION FOR ACT TWO

- Blackmail the Hollywood It Girl to keep her involvement in the sex tape a secret. Demand that she pay up.
- Make an announcement that you just found a positive pregnancy test in the Diva's bathroom. The father must be the killer!
- You caught the Reality TV Starlet's walk of shame yesterday. She was leaving the Heart Throb's mansion! Offer the pictures to anyone you think will pay.

## THE DIVA'S ASSISTANT

### BACKGROUND

The party is quickly turning into a blame fest as everyone tries to figure out who the murderer is.

Fuel the fire by passing on the rumours you've been hearing - you want to make sure the finger doesn't get pointed at you!

### YOUR MISSION FOR ACT TWO

- Tell people the the Diva still loved the Hollywood Heart Throb after all these years and he was listed as the benefactor in her will. He had the most to gain financially from her death.
- At the end of Act Two, the Diva's ghost will reappear at the party. Make sure you loudly announce "Oh my God! It's the Ghost of the Diva!!"

## THE DIVA'S BODYGUARD

### BACKGROUND

People are starting to ask questions about you and the Heiress. Many overheard you two planning to kill the Diva in Act One.

### YOUR MISSION FOR ACT TWO

- You can't deny your love for the Heiress if someone asks you about it.
- If you are approached about stealing the jewels, you must confess that you stole them but you don't have them on you. You don't have to offer the information that you gave them to the Heiress unless they ask specifically.
- There is a rumour going around that the Diva is pregnant with your baby, but you are definitely not the father. You always wore protection because you knew how much she got around.

## **THE CELEBRITY TRAINER** **BACKGROUND**

You can't believe that the Diva is dead. You had been slowly trying to get her back into good health for months now, even when she resisted.

You were secretly putting Vitamin D drops into the Diva's drinks for months to boost her immunity. In fact, you gave her a dose right before she was killed.

### **YOUR MISSION FOR ACT TWO**

- If you are accused of putting something in her drink, you must admit that you did but claim it was innocent.
- The Diva told you she hasn't updated her will since she was a teenager and the benefactor is still listed as the Hollywood Heart Throb! He had a lot to gain from her being out of the picture.

## **THE BACHELOR** **BACKGROUND**

There's a definite chemistry between you and the Former Child Star. Time to ally yourself with her if she's going to be your Dancing with the Stars partner.

### **YOUR MISSION FOR ACT TWO**

- Offer to help the Former Child Star figure out who could have stolen the poison she brought to the party.
- Pick a suspicious character and say that you saw them putting something in the Diva's drink before the toast. Anything to keep it from getting pinned on your new partner and jeopardizing the upcoming season!

## **THE HOLLYWOOD MADAME** **BACKGROUND**

When the Diva worked for you as a call girl, she had several kinky appointments with a client she called Mr. Big. When the Diva quit, you know this John stalked her endlessly. But you never found out who he was, he used a fake name.

You have a theory that the Diva was killed by this former John.

### **YOUR MISSION FOR ACT TWO**

- Ask other characters to help you figure out which of the men here could have been Mr. Big.
- It all comes down to greed with this crowd. Who would have benefited financially from the Diva being out of the picture?

## **THE TECH TITAN** **BACKGROUND**

Now that the Diva is dead, good luck getting your settlement. If you can't have money, you want answers. Who here could have wanted to sabotage the Diva?

### **YOUR MISSION FOR ACT TWO**

- You have a sneaking suspicion that the person who leaked the World Tour footage is in this room. Make a list of people who could have had access to it and approach them about it.
- Ask around to see who the Diva had listed in her will to inherit her money.
- Suggest to several people that you're currently writing an app to solve the murder. Because there's not an app for that... but there should be.

## **REALITY TV STAR'S SISTER** **BACKGROUND**

Now that your sister is a prime suspect in the murder, it's your time to take your place in the spotlight!

### **YOUR MISSION FOR ACT TWO**

- Point out all the damning evidence against your sister. She threatened the Diva, she was jealous that the Diva was sleeping with her husband... She is obviously the murderer!
- Get your sister to admit that she threatened to kill the Diva at the Grammys.
- To really seal the deal, tell everyone that you saw her putting something in the Diva's drink before the toast.

## **THE SUPER MODEL** **BACKGROUND**

You heard the Heart Throb telling the story of how humiliated he was when the Diva cheated on him years ago.

You've been trying to comfort him but it's obvious that he is in love with the Reality TV Starlet. He only seems to have eyes for her. Is it possible the two of them are in cahoots to get revenge on the Diva?

### **YOUR MISSION FOR ACT TWO**

- Remind everyone that the Reality TV Starlet threatened to kill the Diva. Find an ally who is also out to get the Reality TV Starlet to help you spread the suspicion about her.
- Ask the Paparazzo if he knows of anything going on between the Heart Throb and the Reality TV Starlet.

### **YOUR MISSION FOR ACT TWO**

- Find out who the Bodyguard is in love with and let them know that he never stopped sleeping with the Diva.
- The Bodyguard was supposed to be protecting the Diva. How could someone have poisoned her unless he was somehow involved?

## **TALK SHOW HOST**

### **BACKGROUND**

Now that the Diva is dead, it's an even bigger story! If you are first to cover the case, it's a guaranteed Emmy.

### **YOUR MISSION FOR ACT TWO**
